THURSDAY, DECEMBER 7.

To the victor belongs the spoils.
The present Congress knows its business.THE oil combine has advanced the
price of coal oil 35 per cent and the
price of gasoline 33 1/2 per cent.BROOMS, buckets, tubs, clothes bas-
kets, churns, washboards and rope,
all trust products, have advanced in
cost 25 cents. And another advance
is due.NEW YORK CITY, which gave pres-
ident McKinley a majority of 20,000
in 1896, is represented in Congress
exclusively by Democrats. In these
days no party can bank on a sure
thing.If MR. JAMES A. WILSON, Lucky
Jim, King of the Fifth ward, expects
to run for mayor, it's high time he
were getting into the race. Jim al-
ways runs best before he reaches the
home stretch. Unlucky Jim.When the Hon. H. C. Sanford
concludes to make the race for Ma-
yor, it will be perfectly in order for
the Hon. J. Park Alexander to ex-
claim: "Thank God, there are dead-
locks on the Board of City Commis-
sioners." For it was the Hon. Col.
Sanford who once returned profuse
thanks that there were "locks on the
canal.""If a government contracts a
debt with a certain amount of money
in circulation and then contracts the
money volume before the debt is
paid, it is the most heinous crime a
government could commit against a
people."—Abraham Lincoln.Wonder what Lincoln would
think of the Administration's Cur-
rency Reform bill, which aims at
further contraction of the currency
by retiring the greenbacks and plac-
ing the country hopelessly upon a
narrow gold basis?GENERAL DICK is off attending
Congress, but his loyal old servant,
the Beacon, fails not to sing sweet
bosonanas to him at home. Those
who have kept an eye upon the
steam gauge, however, have been
pained to note that the pressure
is falling—slowly, but surely falling.
Last night all our esteemed neighbor
could say about the Colonel—beg
pardon: General—was that he had
sat for his photograph somewhere
down east, and that he had been
elected Major General of the Ohio
National Guard. This is chaff and
dreary commonplace when con-
trasted with the celestial airs that
usually well forth from Mr. Dob-
son's pipe organ. Gen. Dick has
been in Congress for three whole
days and in all that time has not done
a thing to justify the Beacon in turn-
ing on the full diapason stops. Get
a move on, General, the tune is
getting wheezy. Don't be a
"nonentity."Dr. Bull's Cough Syrup, that marvelous
remedy for throat and lung trou-
bles, quickly relieves and cures the
painful breathing and dangerously
sounding cough, indicative of con-
gested lungs. No other remedy is
its equal.

FANCY QUILT.

Joseph Knapp Held the Ticket That
Drew It.Columbia lodge, D. of R., gave a
social and dance at Kaiser's hall
Wednesday. More than 100 people
were in attendance. The first feature
of the evening was a fancy quilt, in
which 30 ladies participated. John
J. Bruderlein was captain of the
drill. A fancy quilt was disposed of
by ticket chances. It was won by
Joseph Knapp of 129 Sherman st.
The remainder of the evening was
spent in dancing. Souer's orchestra
furnished the music. Light refresh-
ments were served. Committee on
arrangements—Mrs. Christ Wetzel,
Mrs. Conrad Eeckel, Mrs. John E.
Washer, Mrs. Henry Huhn, Mrs.
Peter Kuhn, Mrs. Henry C. Schil-
me and Mrs. C. H. Baumert.TO CURE LA GRIPPE IN TWO DAYS

Men Prohibited From
Operating Cars.Legislation Recommended by Central
Labor Union of This City.George Berg is in Dayton attend-
ing the Sixteenth annual convention
of the Ohio Federation of Labor. He
represents the Central Labor union
of this city.Mr. Berg will present an important
resolution to the convention. It was
adopted by the C. L. U. of this city,
being recommended by the Street
Car Employees union.It provides for the enactment of a
law regulating the issuing of licen-
ses to street car men. The Mayors
of all cities will be authorized to is-
sue permits for the operation of cars
to men who have had at least 15
days experience in the running of
cars. Companies are prohibiting
from placing cars in charge of inex-
perienced men.If the resolution is adopted it will
be placed in the hands of the legisla-
tive committee, which will work for
the passage of an act, by the General
Assembly, embodying the provisions
of the resolution.

A SURE CURE FOR CROUP.

Twenty-five Years' Constant Use Without a
Failure.The first indication of croup is
hoarseness, and in a child subject to
that disease it may be taken as a
sure sign of the approach of an at-
tack. Following this hoarseness is a
peculiar rough cough. If Cham-
berlain's Cough Remedy is given as
soon as the child becomes hoarse, or
even after the croupy cough appears,
it will prevent the attack. It is used
in many thousands of homes in this
broad land and never disappoints the
anxious mothers. We have yet to
learn a single instance in which it
has not proved effectual. No other
preparation can show such a record
—twenty-five years' constant use
without a failure. For sale by all
druggists. E. Steinhilber & Co.,

ton, attended the funeral of Waldo
Miller, at Canal Fulton, the latter's

Knowledge.Miss G. C. Whitworth and brother,
Mr. Herbert Whitworth, represent-
ing the University Association of
Chicago, are meeting with flatter-
ing success in their work of organiz-
ing a center of the Economic League
in Akron.The object of the Economic League
is to encourage an interest in the home
discussion of social and economic
subjects and to furnish, by lectures
and printed courses of study, re-
liable information on such topics as
trusts, municipal ownership, nation-
al expansion, the Monroe doctrine,
money, tariff, direct legislation, etc.,
etc., which are of vital interest to
the American people. In carrying
out this plan it has secured the aid
of many of the leading specialists of
the world, men who are recognized
as authorities in the departments
they have treated.A great many of Akron's promi-
nent citizens are being interested in
the work of organizing a center in
Akron, among them being:Judge J. H. Kohler, Rev. Jas. H.

a week and reviews and discusses
